ASCFS Overview

■ ASCFS Purpose:

- Leadership and advances in craniofacial surgery.
- Provide a forum related to practice of craniofacial surgery.
- Stimulate research, investigation, and teaching in preventing and correcting congenital and acquired craniofacial deformities.
- Enhance study and practice of craniofacial surgery
- Recognition to those who have contributed to craniofacial surgery.

ASCFS Active Membership Qualifications

- Legally qualified, reputable practicing surgeons
- Board certified in plastic surgery, active in craniofacial surgery
- Twelve (12) months training in craniofacial surgery at a Society recognized program.
- Shall have been in active practice of craniofacial surgery for three years.
- Have submitted a list of operations performed in two consecutive years; twenty-five (25) of these should have been of the intracranial type.
- Have submitted list of members of their clinical team.
- Shall have published at least two papers on the subject of craniofacial surgery.
- Shall live and practice craniofacial surgery in the United States of America.

ASCFS Associate Membership Qualifications

- Shall be individuals who are acquiring credentials for active membership or have contributed to the understanding and/or treatment of disorders of the craniofacial region.
- They need not necessarily be actively engaged in the practice of craniofacial surgery.

ASCFS Resident Membership Qualifications

- Currently in plastic surgery residencies, or in craniofacial fellowships.
- No dues.
- Cannot vote, hold office, or attend executive meetings of the Officers and Council.
