

**Operative Case Log**  
(to accompany ASCFS Membership Application)

NAME: \_\_\_\_\_

Total Number of Cases: \_\_\_\_\_

Time Span (from) \_\_\_\_\_ (to) \_\_\_\_\_

**CRANIUM**

<b>Osteotomies</b> (e.g., in craniosynostosis)	<b>Number of Cases</b>
<b>Frontal Advancement</b>	
1. unilateral, without orbit	_____
2. unilateral, with partial orbit	_____
3. unilateral, with total orbit	_____
4. bilateral, without orbit	_____
5. bilateral, with partial orbit	_____
6. bilateral, with total orbit	_____
<b>Reconstruction</b>	
1. full thickness skull with bone graft	_____
2. full thickness skull with other material	_____
3. onlay to skull with bone graft	_____
4. onlay to skull with other material	_____
<b>Tumor resection</b>	_____
<b>Acute trauma</b>	_____

**ORBIT**

<b>Osteotomies</b>	
1. unilateral, total - intracranial	_____
2. unilateral, partial - subcranial	_____
3. unilateral, partial - intracranial	_____
4. bilateral, total - intracranial	_____
5. bilateral, partial - subcranial	_____
6. bilateral, partial - intracranial	_____
<b>Reconstruction</b>	
1. inlay with bone graft	_____
2. inlay with other material	_____
3. onlay with bone graft	_____
4. onlay with other material	_____

**Tumor resection**

\_\_\_\_\_

**Acute trauma**

\_\_\_\_\_

**MAXILLA**

**Osteotomies**

1. Le Fort III - intracranial with forehead advancement
2. Le Fort III - intracranial, without forehead advancement
3. Le Fort III - subcranial
4. Le Fort II
5. Le Fort I
6. Segmental

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Reconstruction**

1. inlay with bone graft
2. inlay with other material
3. onlay with bone graft
4. onlay with other material

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**Tumor Resection**

\_\_\_\_\_

**Acute Trauma**

\_\_\_\_\_

**MANDIBLE**

**Osteotomies**

1. unilateral
2. bilateral
3. segmental
